SALES + MARKETING COMMUNICATIONS
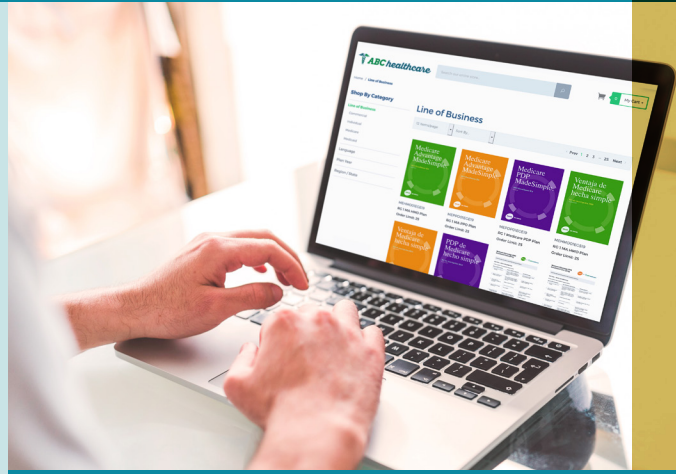

Create and Order Sales Kits with Ease

ONE KIT™
BUILD ENROLLMENT KITS

Kit creation and ordering made easy

O'Neil's ONEkit™ solution is an online enrollment kit creation and ordering tool. Agents & brokers can order, customize and produce all-in-one digital enrollment Kits. ONEkit enables you to create, personalize and order kits in real-time, at any time. ONEkit provides rules-based document assembly, enabling you to select kit content from our document repository and add variable data, personalized letters, static documents, and other customized messages to each kit.

Reduce cost and obsolescence

ONEkit ultimately eliminates static and non-relevant content within enrollment materials, and reduces cost and obsolescence by producing more personalized and timely content on demand.

ONEkit is the perfect solution to empower sales reps, marketing personnel, brokers, and agents to assemble kits for their prospects and customers.
