THE POWER OF ONE

ePresentment and eDelivery Platform

**ONE** CONNECT™

ePRESENTMENT

Build stronger customer relationships

O'Neil's ePresentment platform, called ONEconnect, helps our clients build stronger relationships with their customers by communicating the way their clients demand. With ONEconnect, every communication touchpoint is available to your customer, including cloud-based applications, such as Box and iCloud, and even social media sites.

Build deeper engagement while reducing expense

ONEconnect helps you create a deeper engagement with your audience, while savings millions of dollars in print and postage costs. ONEconnect electronically presents or delivers critical compliance and marketing communications, including brochures, marketing collateral, welcome kits, , personalized direct mail, billing statements, compliance letters, ID cards, contracts, confirms and other data-driven communications.

ONEconnect features include:

- Multi-channel communications:
- Smart Phone
- eMail
- SMS/MMS
- iPDF
- Web Portals
- API Web Services
- HTML 5
- Dynamic Reporting
- Opt-in/Opt-out functionality
